EXECUTIVE PROFILE

Entrepreneur and logistics executive leading V.B.K Motor Enterprise Inc. & Shipping Services. Directs customer service, field operations, cargo coordination and business growth for shipments from the United States to Liberia. Known professionally as V.B.K and Vai Bassa King, he represents the company as its founder, CEO and principal customer contact.

PROFESSIONAL EXPERIENCE

Founder & Chief Executive Officer

2017–Present

V.B.K Motor Enterprise Inc. & Shipping Services

- Sets business direction and oversees daily operations for USA-to-Liberia shipping services.
- Coordinates customer pickups, cargo staging, container loading and shipment communication.
- Leads service delivery for vehicles, household goods and general cargo, including doorstep pickup.
- Sources and purchases vehicles for clients in and outside the United States.
- Builds customer trust through direct communication, clear payment coordination and shipment updates.
- Guides field teams and business partners across the United States and Liberia.

Residential Counselor

2012–2025

Committed to growing a trusted shipping brand that connects families, customers and businesses between the United States and Liberia. His leadership combines visible field involvement with practical decision-making, customer accountability and consistent brand representation.
